

No. 008/CRD/013
Central Vigilance Commission

Satarkta Bhawan, Block-A,
GPO Complex, INA,
New Delhi-110023
Dated: 13/8/2010

Circular No. 31/08/10

Subject:- Adoption of Integrity Pact-Standard Operating Procedure (SOP) – reg.

The Commission vide its circular No. 10/5/09 dated 18.5.09 issued guidelines on "Standard Operating Procedure (SOP) for implementation of Integrity Pact in Ministries/Departments/Organisations. Section 6.02 of the SOP provides financial impact review through independent agency and physical review through an NGO.

2. The Commission has since reviewed the provisions contained in para 6.02 of the SOP and is of the view that it would be difficult to undertake a separate assessment on the impact of implementation of Integrity Pact in an organisation and has therefore decided to delete Section 6.02 (i) & 6.02 (ii) of the said circular. All organisations implementing IP would however, undertake a general review and assessment of implementation of IP and submit progress through CVO's monthly report to the Commission.

(Vineet Mathur)
Director

All Chief Vigilance Officers

No. 008/CRD/013
Government of India
Central Vigilance Commission

Satarkta Bhawan, Block-A,
GPO Complex, INA,
New Delhi-110023.
Dated: 18/5/09

Circular No. 10/5/09

Subject:- Adoption of Integrity Pact-Standard Operating Procedure-reg.

The Commission has formulated "Standard Operating Procedure" for adoption of Integrity Pact in major Govt. Department/organisations. A copy of the same is enclosed for information and necessary action.

Sd/-

(Shalini Darbari)
Director

All Chief Vigilance Officers

Subject:- Adoption of Integrity Pact –Standard Operating Procedure-reg.

1.0 Background

1.01 The Central Vigilance Commission has been promoting Integrity, transparency, equity and competitiveness in Government/PSU transactions and as a part of vigilance administration and superintendence. Public procurement is a major area of concern for the Central Vigilance Commission and various steps have been taken to put proper systems in place. Leveraging technology, especially wider use of the web sites for disseminating information on tenders, clearly defining the pre qualification criteria and other terms and conditions of the tender are some of the steps recently taken at the instance of the Commission. In this context, Integrity Pact (IP), a vigilance tool conceptualized and promoted by the Transparency International, has been found to be useful. The Commission has, through its Office Orders No. 41/12/07 dated 04.12.07 and 43/12/07 dated 28.12.07 and Circulars No. 18/05/08 dated 19.05.08 and 24.08.08 dated 05.08.2008 (copies appended), recommended adoption of Integrity Pact and provided basic guidelines for its implementation in respect of major procurements in the Government Organizations.

2.0 Integrity Pact

2.01 The pact essentially envisages an agreement between the prospective vendors/bidders and the buyer, committing the persons/officials of both sides, not to resort to any corrupt practices in any aspect/stage of the contract. Only those vendors/bidders, who commit themselves to such a Pact with the buyer, would be considered competent to participate in the bidding process. In other words, entering into this Pact would be a preliminary qualification. The essential ingredients of the Pact include:

- Promise on the part of the principal not to seek or accept any benefit, which is not legally available;
- Principal to treat all bidders with equity and reason;
- Promise on the part of bidders not to offer any benefit to the employees of the Principal not available legally;
- Bidders not to enter into any undisclosed agreement or understanding with other bidders with respect to prices, specifications, certifications, subsidiary contracts, etc.
- Bidders not to pass any information provided by Principal as part of business relationship to others and not to commit any offence under PC/ IPC Act;
- Foreign bidders to disclose the name and address of agents and representatives in India and Indian Bidders to disclose their foreign principals or associates;

- Bidders to disclose the payments to be made by them to agents / brokers or any other intermediary.
- Bidders to disclose any transgressions with any other company that may impinge on the anti corruption principle.

2.02 Integrity Pact, in respect of a particular contract, would be operative from the stage of invitation of bids till the final completion of the contract. Any violation of the same would entail disqualification of the bidders and exclusion from future business dealings.

3.0 Implementation procedure:

3.01 Adoption of IP is voluntary for any organization, but once adopted, it should cover all tenders /procurements above a specified threshold value.

3.02 The threshold value for the contracts to be covered through IP should be decided after conducting proper ABC analysis and should be fixed so as to cover 90-95% of the total procurements of the organization in monetary terms.

3.03 Apart from all high value contracts, any contract involving complicated or serious issues could be brought within the ambit of IP, after a considered decision of the management

3.04 The Purchase / procurement wing of the organization would be the focal point for the implementation of IP.

3.05 The Vigilance Department would be responsible for review, enforcement, and reporting on all related vigilance issues.

3.06 It has to be ensured, through an appropriate provision in the contract, that IP is deemed as part of the contract so that the parties concerned are bound by its provisions.

3.07 IP should cover all phases of the contract, i.e. from the stage of Notice Inviting Tender (NIT)/pre-bid stage till the conclusion of the contract, i.e. the final payment or the duration of warranty/guarantee.

3.08 IP would be implemented through a panel of Independent External Monitors (IEMs), appointed by the organization. The IEM would review independently and objectively, whether and to what extent parties have complied with their obligations under the Pact.

3.09 Periodical Vendors' meets, as a familiarization and confidence building measure, would be desirable for a wider and realistic compliance of the principles of IP.

3.10 Information relating to tenders in progress and under finalization would need to be shared with the IEMs on monthly basis.

4.0 Role /Functions of IEMs :

4.01 IEM would have access to all Contract documents, whenever required. Ideally, all IEMs of an organization should meet in two months to take stock of the ongoing tendering processes.

4.02. It would be desirable to have structured meeting of the IEMs with the Chief Executive of the organization on a monthly basis to discuss/review the information on tenders awarded in the previous month.

4.03 The IEMs would examine all complaints received by them and give their recommendations/views to the Chief Executive of the organization, at the earliest. They may also send their report directly to the CVO and the Commission, in case of suspicion of serious irregularities requiring legal/administrative action.

4.04 At least one IEM should be invariably cited in the NIT. However, for ensuring the desired transparency and objectivity in dealing with the complaints arising out of any tendering process, the matter should be examined by the full panel of IEMs, who would look into the records, conduct an investigation, and submit their joint recommendations to the Management

4.05 The recommendations of IEMs would be in the nature of advice and would not be legally binding. At the same time, it must be understood that IEMs are not consultants to the Management. Their role is independent in nature and the advice once tendered would not be subject to review at the request of the organization.

4.06 The role of the CVO of the organization shall remain unaffected by the presence of IEMs. A matter being examined by the IEMs can be separately investigated by the CVO in terms of the provisions of the CVC Act or Vigilance Manual, if a complaint is received by him or directed to him by the Commission.

5.0 Appointment of IEMs

5.01 The IEMs appointed should be eminent personalities of high integrity and reputation. The Commission would approve the names of IEMs out of the panel of names, initiated by the organization concerned, in association/consultation with the CVO.

5.02 While forwarding the panel, the organization would enclose detailed bio-data in respect of all names proposed. The details would include

postings before superannuation, special achievements, experience, etc., in Government sector. It is desirable that the persons proposed possess domain experience of the PSU activities or the relevant field with which they may be required to deal.

5.03 A maximum of three IEMs would be appointed for Navratna PSUs and up to two IEMs for others.

5.04 Organizations could propose a panel of more than three names for the consideration of the Commission.

5.05 Persons appointed as IEMs in two organizations would not be considered for a third organization.

5.06 For PSUs having a large territorial spread or those having several subsidiaries, there could be more IEMs, but not more than two IEMs would be assigned to one subsidiary.

5.07 Remuneration payable to the IEMs would be equivalent to that admissible to an Independent Director in the organization. This remuneration would be paid by the organization concerned.

5.08 The terms and conditions of appointment, including the remuneration payable to the IEMs, should not be included in the Integrity Pact or the NIT. They could be communicated individually to the IEMs concerned.

5.09 The normal term of appointment for an IEM would be 3 years, and it would be subject to renewal by the Commission thereafter.

6.0 Review System :

6.01 An internal assessment of the impact of IP shall be carried out periodically by the CVOs of the organizations and reported to the Commission.

6.02 Two additional reviews are envisaged for each organization in due course.

- (i) Financial impact review, which could be conducted through an independent agency like auditors, and
- (ii) Physical review, which could be done through an NGO of tested credibility in the particular field.

6.03 It is proposed to include the progress in the implementation of IP in the Annual Report of the Commission. CVOs of all organizations would keep the Commission posted with the implementation status through their monthly reports or special reports, wherever necessary.

7.0 All organizations are called upon to make sincere and sustained efforts to imbibe the spirit and principles of the Integrity Pact and carry it to its effective implementation.

Enclosures: All earlier guidelines, issued by the Central Vigilance Commission, on the subject.
